A good day begins with a good breakfast

We believe breakfast is not only the most important meal of the day, it is also the most important amenity when staying at a hotel.

Get the best breakfast with an incredible variety of sweet and salty food; enjoy delicious croissant or pancakes or get healthy with fresh fruit, superfood and vegetable smoothies.

We try to support local products so that you can enjoy typical Piemontese food, like Moscato and Savoirdi or a perfect Italian Espresso!

**Each day only has one start,
make it an epic one!**
